Login to your Blackboard and access the course in which you want the Library Reserves to appear.

1. Click on the Plus sign (+) to open up the Content Area section.
2. Click on Tool Link.
Provide an easy to identify name for the section. Some suggestions: Course Readings, Suggested Resources, Library Materials, etc. Make sure to check the box to make it Available to Users.
After clicking on the link, the Content Selection tool will appear. The Blackboard System will place the new tool link at the bottom of the content. You will need to move it to a more visible location.
Select LibGuides – libguides.aum.edu

Select E-Reserves – Course Page
Select your **Course Reserves Page** under the current term.

**NOTE:** Pages will only be visible starting the first day of the semester.
Click on **Embed Content**. It will take you back to the Course Home links, From there click on the **Library Resources** (or your selected title)

Below is what you will see each time you select this tool. You will select **View Content**.
While not identical, you and your students will see something similar in this section whenever you or they select the reserve tool link.
